

# FLAG RACE

---

Left or right hand pattern may be used. Sand must be used in 5 gallon plastic buckets, and be 3" to 5" from the top of the bucket. Flag stick must be 14" to 18" long and must be placed straight up and down on edge of bucket with flag open. Flag may be placed in bucket by rider right side up or flag side down.

Equipment: 3 large (55 gallon) barrels, 2 five gallon buckets, 1 flag.
